

**The Missoula Trap and Skeet Club  
invites you to the 2nd Annual  
Zone X Skeet Tournament**

Zone X Skeet is an organization formed in the Northwest to cater to Northwest shooters. The National Skeet Shooting Association formally recognizes 9 zones; Zone X is not one of them. The Northwest is a part of Zone 7, which includes 13 Western states. This is a large geographical area and the Zone 7 shoot location typically made it necessary for participants from the Northwest to fly to the Zone shoot. The Zone X Shoot provides Northwest skeet shooters an opportunity to participate in a regional shoot at a reasonable cost.

***Management reserves the right to change format and program; advance registration and squadding is recommended***

**NSSA and MSSA day fees included in fees**

NSSA rules govern all shooting. Ties will be decided by shoot off DOUBLES at stations 3, 4, and 5; miss-and-out by station.

Empties may be picked up by squad members after each flight.

A squad will shoot all targets for an event on a single field

**For pre-registration and squadding, contact:**
